## Lions Install New Officers

The Cedar Key Lions Club 2009-2010 Officers Installation dinner was well attended by members and invited guests who enjoyed a delicious dinner prepared by the Island Room, followed by the officers installation ceremony and a silent auction fundraiser.

Florida District 35-L District Governor Elect Estelle Clark installed the coming year's officers with humor and camaraderie. The installed officers are Rory Brennan - President, George Sresovich, -1st VP, Lannie Cardona - 2nd VP, Roland Senecal - Secretary, Sarah Cardona - Treasurer, and Marvin Franks, Jim Green, Maurice Hendrix, and Pam Oakley as directors. Special Awards of Appreciation were presented to Lion Gina Montgomery for her environmental efforts, including the Adopt-a-Road program, Lion Judy Duvall for writing and producing the club's informative and entertaining newsletter, and Lion Jennie Pinto for her initiative and work on events such as the Candidates Forum Dinner and the 40th Anniversary Ice Cream Social this year.

2009 - 2010 Board of Directors

**The induction Dinner Silent Auction was a Roaring Success! Over \$600 was raised from members for the Tail Twister Fund from the auction of donated items again shows the generous spirit of our members. Proceeds were used to pay for the dinner which was catered by The Island Room.**

**Adopt-A-Road cleanup was held on June 13, with eight LIONS and four NOT-YET-LIONS trudging out early on that hot Saturday morning. The bugs were held at bay with lots of Deet, only one snake was spotted, several fishing bobbers were rescued from oblivion and good fellowship was had among the group..... not to mention the twelve bags of trash that no longer litter that part of State Road 24. Thanks to all who participated.**

**Long - Time Lion, Mr. Bill Betts shown here enjoying the induction dinner in June, will turn 97 on July 25th. HAPPY BIRTHDAY BILL!!!**
